CLAIM INFORMATION

LONG TERM DISABILITY

WHEN DO YOU NOTIFY UNUM OF A CLAIM?

We encourage you to notify us of your claim as soon as possible, so that a claim decision can be made in a timely manner. Written notice of a claim should be sent within 30 days after the date your disability begins. However, you must send Unum written proof of your claim no later than 90 days after your elimination period. If it is not possible to give proof within 90 days, it must be given no later than 1 year after the time proof is otherwise required except in the absence of legal capacity.

The claim form is available from your Employer, or you can request a claim form from us. If you do not receive the form from Unum within 15 days of your request, send Unum written proof of claim without waiting for the form.

You must notify us immediately when you return to work in any capacity.

HOW DO YOU FILE A CLAIM?

You and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

Your proof of claim must show:

- that you are under the **regular care of a physician**;
- the appropriate documentation of your monthly earnings;
- the date your disability began;
- the cause of your disability;
- the extent of your disability, including restrictions and limitations preventing you from performing your regular occupation; and
- the name and address of any **hospital or institution** where you received treatment, including all attending physicians.

We may request that you send proof of continuing disability indicating that you are under the regular care of a physician. This proof must be received within 45 days of a request by us.

In some cases, you will be required to give Unum authorization to obtain additional medical and non-medical information as part of your proof of claim.

TO WHOM WILL UNUM MAKE PAYMENTS?

Unum will make payments to you.

WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud;

- any error Unum makes in processing a claim; and
- your receipt of deductible sources of income.

You must reimburse us in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.

GENERAL PROVISIONS

WHAT IS THE CERTIFICATE OF COVERAGE?

This certificate of coverage is a written statement prepared by Unum and may include attachments. It tells you:

- the coverage for which you may be entitled;
- to whom Unum will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the later of:

- the Summary of Benefits effective date; or
- the day after you complete your **waiting period**.

WHEN DOES YOUR COVERAGE BEGIN?

When your Employer pays 100% of the cost of your coverage under a plan, you will be covered at 12:01 a.m. on the date you are eligible for coverage.

When you and your Employer share the cost of your coverage under a plan or when you pay 100% of the cost yourself, you will be covered at 12:01 a.m. on the latest of:

- the date you are eligible for coverage, if you apply for insurance on or before that date;
- the date you apply for insurance, if you apply within 31 days after your eligibility date; or
- the date Unum approves your application, if **evidence of insurability** is required.

Evidence of insurability is required if you:

- are a late applicant, which means you apply for coverage more than 31 days after the date you are eligible for coverage; or
- voluntarily cancelled your coverage and are reapplying.

An evidence of insurability form can be obtained from your Employer.

WHAT IF YOU ARE ABSENT FROM WORK ON THE DATE YOUR COVERAGE WOULD NORMALLY BEGIN?

If you are absent from work due to injury, sickness, temporary layoff or leave of absence, your coverage will begin on the date you return to **active employment**.

ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?

If you are on a temporary **layoff**, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your temporary layoff begins.

If you are on a **leave of absence**, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your leave of absence begins.

WHAT HAPPENS TO YOUR COVERAGE UNDER THE SUMMARY OF BENEFITS WHILE YOU ARE ON A FAMILY AND MEDICAL LEAVE OF ABSENCE?

We will continue your coverage in accordance with your Employer's Human Resource policy on family and medical leaves of absence if premium payments continue and your Employer approved your leave in writing.

Coverage will be continued until the end of the later of:

1. the leave period required by the federal Family and Medical Leave Act of 1993 and any amendments; or
2. the leave period required by applicable state law.

If your Employer's Human Resource policy doesn't provide for continuation of coverage during a family and medical leave of absence, your coverage will be reinstated when you return to active employment.

We will not:

- apply a new waiting period;
- apply a new pre-existing conditions exclusion; or
- require evidence of insurability.

WHEN WILL CHANGES TO YOUR COVERAGE TAKE EFFECT?

Once your coverage begins, any increased or additional coverage will take effect immediately if you are in active employment or if you are on a covered layoff or leave of absence. If you are not in active employment due to injury or sickness, any increased or additional coverage will begin on the date you return to active employment.

Any decrease in coverage will take effect immediately but will not affect a **payable claim** that occurs prior to the decrease.

WHEN DOES YOUR COVERAGE END?

Your coverage under the Policy or a plan ends on the earliest of:

- the date the policy, Summary of Benefits or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment unless continued due to a covered layoff or leave of absence or due to an injury or sickness, as described in this certificate of coverage.

Unum will provide coverage for a payable claim which occurs while you are covered under the policy, Summary of Benefits or plan.

WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?

You can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim is required, unless otherwise provided under federal law.

HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?

Unum considers any statements you or your Employer make in a signed application for coverage a representation and not a warranty. If any of the statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

We will use only statements made in a signed application as a basis for doing this.

If the Employer gives us information about you that is incorrect, we will:

- use the facts to decide whether you have coverage under the plan and in what amounts; and
- make a fair adjustment of the premium.

DOES THE SUMMARY OF BENEFITS REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?

The Summary of Benefits does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM'S AGENT?

For purposes of the Summary of Benefits, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.

DOES THE POLICYHOLDER ACT AS YOUR AGENT OR UNUM'S AGENT?

For the purposes of the Policy and the Summary of Benefits, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed the agent of Unum.

LONG TERM DISABILITY

BENEFIT INFORMATION

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- you are **limited** from performing the **material and substantial duties** of your **regular occupation** due to your **sickness or injury**; and
- you have a 20% or more loss in your **indexed monthly earnings** due to the same sickness or injury; and
- during the elimination period, you are unable to perform any of the material and substantial duties of your regular occupation.

You will continue to receive payments beyond 24 months if you are also:

- working in any occupation and continue to have a 20% or more loss in your indexed monthly earnings due to your sickness or injury; or
- not working and, due to the same sickness or injury, are unable to perform the duties of any gainful occupation for which you are reasonably fitted by education, training or experience.

You have a **presumptive disability** when Unum determines that, due to your sickness or injury, you experience a complete loss of your:

- vision in both eyes*; or
- hearing in both ears; or
- speech; or
- functional use of two or more limbs.

*Note: vision not correctable to better than 20/200 in the better eye will be considered complete loss of vision in both eyes.

A presumptive disability payment period will normally begin on the date you suffer a qualifying loss, provided such loss persists for at least 5 consecutive days.

Unum may pay you at least the number of monthly payments shown under the Maximum Period of Payment schedule should your disability be as a result of one of these losses, provided you do not receive earnings during that time.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner and/or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your **elimination period**. Unum will treat your disability as continuous if your disability stops for 30 days or less during the elimination period. The days that you are not disabled will not count toward your elimination period.

Your elimination period is 90 days.

WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment monthly for any period for which Unum is liable.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?

We will follow this process to figure your payment:

All Administrators of Creston Community School District

1. Multiply your monthly earnings by 60%.
2. The maximum **monthly benefit** is \$6,000.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser amount is your **gross disability payment**.
4. Multiply your monthly earnings by 75% and subtract any **deductible sources of income**.
5. Compare the answer from Item 3 and Item 4.

The lesser amount figured in Item 5 is your **monthly payment**.

All Certified Employees of Creston Community School District

1. Multiply your monthly earnings by 60%.
2. The maximum **monthly benefit** is \$4,000.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser amount is your **gross disability payment**.
4. Multiply your monthly earnings by 75% and subtract any **deductible sources of income**.
5. Compare the answer from Item 3 and Item 4.

The lesser amount figured in Item 5 is your **monthly payment**.

All Classified Employees of Creston Community School District working 9 months per year and at least 20 hours per week

1. Multiply your monthly earnings by 60%.
2. The maximum **monthly benefit** is \$3,000.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser amount is your **gross disability payment**.
4. Multiply your monthly earnings by 75% and subtract any **deductible sources of income**.
5. Compare the answer from Item 3 and Item 4.

The lesser amount figured in Item 5 is your **monthly payment**.

WILL UNUM EVER PAY MORE THAN 100% OF MONTHLY EARNINGS?

The total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 100% of your monthly earnings. However, if you are participating in Unum's Rehabilitation and Return to Work Assistance program, the total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 110% of your monthly earnings.

WHAT ARE YOUR MONTHLY EARNINGS?

"Monthly Earnings" means your gross monthly income from your Employer in effect just prior to your date of disability. It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from commissions, bonuses, overtime pay, any other extra compensation, or income received from sources other than your Employer.

WHAT WILL WE USE FOR MONTHLY EARNINGS IF YOU BECOME DISABLED DURING A COVERED LAYOFF OR LEAVE OF ABSENCE?

If you become disabled while you are on a covered layoff or leave of absence, we will use your monthly earnings from your Employer in effect just prior to the date your absence begins.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND WORKING?

We will send you the monthly payment if you are disabled and your monthly **disability earnings**, if any, are less than 20% of your indexed monthly earnings, due to the same sickness or injury.

If you are disabled and your monthly disability earnings are from 20% through 80% of your indexed monthly earnings, due to the same sickness or injury, Unum will figure your payment as follows:

During the first 12 months of payments, while working, your monthly payment will not be reduced as long as disability earnings plus the gross disability payment does not exceed 100% of indexed monthly earnings.

1. Add your monthly disability earnings to your gross disability payment.
2. Compare the answer in Item 1 to your indexed monthly earnings.

If the answer from Item 1 is less than or equal to 100% of your indexed monthly earnings, Unum will not further reduce your monthly payment.

If the answer from Item 1 is more than 100% of your indexed monthly earnings, Unum will subtract the amount over 100% from your monthly payment.

After 12 months of payments, while working, you will receive payments based on the percentage of income you are losing due to your disability.

1. Subtract your disability earnings from your indexed monthly earnings.
2. Divide the answer in Item 1 by your indexed monthly earnings. This is your percentage of lost earnings.
3. Multiply your monthly payment by the answer in Item 2.

This is the amount Unum will pay you each month.

Unum may require you to send proof of your monthly disability earnings at least quarterly. We will adjust your payment based on your quarterly disability earnings.

As part of your proof of disability earnings, we can require that you send us appropriate financial records which we believe are necessary to substantiate your income.

After the elimination period, if you are disabled for less than 1 month, we will send you 1/30 of your payment for each day of disability.

HOW CAN WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?

If your disability earnings routinely fluctuate widely from month to month, Unum may average your disability earnings over the most recent 3 months to determine if your claim should continue.

If Unum averages your disability earnings, we will not terminate your claim unless the average of your disability earnings from the last 3 months exceeds 80% of indexed monthly earnings.

We will not pay you for any month during which disability earnings exceed 80% of indexed monthly earnings.

WHAT ARE DEDUCTIBLE SOURCES OF INCOME?

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive under:
 - a workers' compensation law.
 - an occupational disease law.
 - any other **act** or **law** with similar intent.
2. The amount that you receive or are entitled to receive as disability income payments under any:
 - state compulsory benefit **act** or **law**.
 - other group insurance plan.
 - governmental retirement system as a result of your job with your Employer.
3. The amount that you, your spouse and your children receive or are entitled to receive as disability payments because of your disability under:
 - the United States Social Security Act.
 - the Canada Pension **Plan**.
 - the Quebec Pension Plan.
 - any similar plan or act.
4. The amount that you receive as retirement payments or the amount your spouse and children receive as retirement payments because you are receiving

retirement payments under:

- the United States Social Security Act.
- the Canada Pension Plan.
- the Quebec Pension Plan.
- any similar plan or act.

5. The amount that you:

- receive as disability payments under your Employer's **retirement plan**.
- voluntarily elect to receive as retirement payments under your Employer's retirement plan.
- receive as retirement payments when you reach the later of age 62 or normal retirement age, as defined in your Employer's retirement plan.

Disability payments under a retirement plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement payments will be those benefits which are based on your Employer's contribution to the retirement plan. Disability benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the retirement plan are distributed, Unum will consider your and your Employer's contributions to be distributed simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

6. The amount that you receive under Title 46, United States Code Section 688 (The Jones Act).

7. The amount that you receive under a **salary continuation** or **accumulated sick leave** plan.

With the exception of retirement payments, Unum will only subtract deductible sources of income which are payable as a result of the same disability.

We will not reduce your payment by your Social Security retirement income if your disability begins after age 65 and you were already receiving Social Security retirement payments.

WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities

- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans
- no fault motor vehicle plans

WHAT IF SUBTRACTING DEDUCTIBLE SOURCES OF INCOME RESULTS IN A ZERO BENEFIT? (Minimum Benefit)

The minimum monthly payment is the greater of:

- \$100; or
- 10% of your gross disability payment.

Unum may apply this amount toward an outstanding overpayment.

WHAT HAPPENS WHEN YOU RECEIVE A COST OF LIVING INCREASE FROM DEDUCTIBLE SOURCES OF INCOME?

Once Unum has subtracted any deductible source of income from your gross disability payment, Unum will not further reduce your payment due to a cost of living increase from that source.

WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?

When we determine that you may qualify for benefits under Item(s) 1, 2 and 3 in the deductible sources of income section, we will estimate your entitlement to these benefits. We can reduce your payment by the estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Long Term Disability payment will NOT be reduced by the estimated amount if you:

- apply for the disability payments under Item(s) 1, 2 and 3 in the deductible sources of income section and appeal your denial to all administrative levels Unum feels are necessary; and
- sign Unum's payment option form. This form states that you promise to pay us any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:

- of the amount awarded; or

- that benefits have been denied and all appeals Unum feels are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be pro-rated on a monthly basis over the time period for which the sum was given. If no time period is stated, we will use a reasonable one.

HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?

Unum will send you a payment each month up to the **maximum period of payment**. Your maximum period of payment is based on your age at disability as follows:

<u>Age at Disability</u>	<u>Maximum Period of Payment</u>
Less than age 60	To age 65, but not less than 5 years
Age 60	60 months
Age 61	48 months
Age 62	42 months
Age 63	36 months
Age 64	30 months
Age 65	24 months
Age 66	21 months
Age 67	18 months
Age 68	15 months
Age 69 and over	12 months

WHEN WILL PAYMENTS STOP?

We will stop sending you payments and your claim will end on the earliest of the following:

- during the first 24 months of payments, when you are able to work in your regular occupation on a **part-time basis** but you choose not to;
- after 24 months of payments, when you are able to work in any occupation on a part-time basis but you choose not to;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan;
- the date you die.

WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- commission of a crime for which you have been convicted under state or federal law.

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME AND YOUR DISABILITY OCCURS AGAIN?

If you have a **recurrent disability**, Unum will treat your disability as part of your prior claim and you will not have to complete another elimination period if:

- you were continuously insured under the plan for the period between your prior claim and your recurrent disability; and
- your recurrent disability occurs within 6 months of the end of your prior claim.

Your recurrent disability will be subject to the same terms of this plan as your prior claim.

Any disability which occurs after 6 months from the date your prior claim ended will be treated as a new claim. The new claim will be subject to all of the policy provisions.

If you become entitled to payments under any other group long term disability plan, you will not be eligible for payments under the Unum plan.

LONG TERM DISABILITY

OTHER BENEFIT FEATURES

WHAT BENEFITS WILL BE PROVIDED TO YOUR FAMILY IF YOU DIE? (Survivor Benefit)

When Unum receives proof that you have died, we will pay your **eligible survivor** a lump sum benefit equal to 3 months of your gross disability payment if, on the date of your death:

- your disability had continued for 180 or more consecutive days; and
- you were receiving or were entitled to receive payments under the plan.

If you have no eligible survivors, payment will be made to your estate, unless there is none. In this case, no payment will be made.

However, we will first apply the survivor benefit to any overpayment which may exist on your claim.

WHAT IF YOU ARE NOT IN ACTIVE EMPLOYMENT WHEN YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM? (Continuity of Coverage)

When the plan becomes effective, Unum will provide coverage for you if:

- you are not in active employment because of a sickness or injury; and
- you were covered by the prior policy.

Your coverage is subject to payment of premium.

Your payment will be limited to the amount that would have been paid by the prior carrier. Unum will reduce your payment by any amount for which your prior carrier is liable.

WHAT IF YOU HAVE A DISABILITY DUE TO A PRE-EXISTING CONDITION WHEN YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM? (Continuity of Coverage)

Unum may send a payment if your disability results from a pre-existing condition if, you were:

- in active employment and insured under the plan on its effective date; and
- insured by the prior policy at the time of change.

In order to receive a payment you must satisfy the pre-existing condition provision under:

1. the Unum plan; or
2. the prior carrier's plan, if benefits would have been paid had that policy remained in force.

If you do not satisfy Item 1 or 2 above, Unum will not make any payments.

If you satisfy Item 1, we will determine your payments according to the Unum plan provisions.

If you only satisfy Item 2, we will administer your claim according to the Unum plan provisions. However, your payment will be the lesser of:

- a. the monthly benefit that would have been payable under the terms of the prior plan if it had remained in force; or
- b. the monthly payment under the Unum plan.

Your benefits will end on the earlier of the following dates:

1. the end of the maximum benefit period under the plan; or
2. the date benefits would have ended under the prior plan if it had remained in force.

WHAT ADDITIONAL BENEFIT IS AVAILABLE TO ASSIST YOU WITH CONTINUED HEALTHCARE COVERAGE COSTS?

If you are disabled and receiving Long Term Disability monthly payments under this plan, you will receive a monthly Healthcare Protect benefit in the amount of \$400 if you:

- were participating in your Employer's group **medical plan** on the date your disability began;
- received written notice that you are eligible to continue your medical plan coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) or similar federal or state law; and
- Unum has received written proof you are participating in a medical plan.

Healthcare Protect benefits are in addition to your Long Term Disability monthly benefit.

This benefit is not subject to plan provisions which would otherwise increase or reduce the benefit amount such as Deductible Sources of Income. However, the Total Benefit Cap will apply.

HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?

Unum will send you a Healthcare Protect benefit payment each month that you qualify for the benefit for up to a total of 18 months. This is the maximum period of payments for the Healthcare Protect benefit for each claim for which you have had to complete an elimination period.

WHEN WILL HEALTHCARE PROTECT BENEFIT PAYMENTS END?

Healthcare Protect benefit payments will end on the earliest of the following:

- any date monthly payments would stop in accordance with this plan;
- the end of the maximum period of payment for this Healthcare Protect Benefit; or
- the date you are no longer participating in a medical plan.

WHAT DISABILITIES ARE NOT COVERED FOR THE HEALTHCARE PROTECT BENEFIT?

If you are insured under this long term disability plan on July 1, 2008, you will not receive any Healthcare Protect benefits for any disability caused by, contributed to by, or resulting from a pre-existing condition defined as follows:

You have a pre-existing condition if:

These services are also available from us as part of your Unum Long Term Disability plan.

IS THERE A WORK LIFE ASSISTANCE PROGRAM AVAILABLE WITH THE PLAN?

We do provide you and your dependents access to a work life assistance program designed to assist you with problems of daily living.

You can call and request assistance for virtually any personal or professional issue, from helping find a day care or transportation for an elderly parent, to researching possible colleges for a child, to helping to deal with the stress of the workplace. This work life program is available for everyday issues as well as crisis support.

HOW CAN UNUM HELP YOUR EMPLOYER IDENTIFY AND PROVIDE WORKSITE MODIFICATION?

A worksite modification might be what is needed to allow you to perform the material and substantial duties of your regular occupation with your Employer. One of our designated professionals will assist you and your Employer to identify a modification we agree is likely to help you remain at work or return to work. This agreement will be in writing and must be signed by you, your Employer and Unum.

When this occurs, Unum will reimburse your Employer for the cost of the modification, up to the greater of:

- \$1,000; or
- the equivalent of 2 months of your monthly benefit.

This benefit is available to you on a one time only basis.

HOW CAN UNUM'S REHABILITATION SERVICE HELP YOU RETURN TO WORK?

Unum has a vocational rehabilitation program available to assist you to return to work. This program is offered as a service, and is voluntary on your part and on Unum's part.

In addition to referrals made to the rehabilitation program by our claims paying personnel, you may request to have your claim file reviewed by one of Unum's rehabilitation professionals. As your file is reviewed, medical and vocational information will be analyzed to determine if rehabilitation services might help you return to gainful employment.

Once the initial review is completed, Unum may elect to offer you a return-to-work program. The return-to-work program may include, but is not limited to, the following services:

- coordination with your Employer to assist you to return to work;
- evaluation of adaptive equipment to allow you to return to work;
- vocational evaluation to determine how your disability may impact your employment options;
- job placement services;
- resume preparation;
- job seeking skills training; or
- retraining for a new occupation.

HOW CAN UNUM'S SOCIAL SECURITY CLAIMANT ADVOCACY PROGRAM ASSIST YOU WITH OBTAINING SOCIAL SECURITY DISABILITY BENEFITS?

In order to be eligible for assistance from Unum's Social Security claimant advocacy program, you must be receiving monthly payments from us. Unum can provide expert advice regarding your claim and assist you with your application or appeal.

Receiving Social Security benefits may enable:

- you to receive Medicare after 24 months of disability payments;
- you to protect your retirement benefits; and
- your family to be eligible for Social Security benefits.

We can assist you in obtaining Social Security disability benefits by:

- helping you find appropriate legal representation;

- a location to which your job requires you to travel.

The Consumer Price Index (CPI-W) is published by the U.S. Department of Labor. Unum reserves the right to use some other similar measurement if the Department of Labor changes or stops publishing the CPI-W.

Indexing is only used to determine your percentage of lost earnings while you are disabled and working.

INSURED means any person covered under a plan.

LAW, PLAN OR ACT means the original enactments of the law, plan or act and all amendments.

However, a plan which provides coverage that is limited in scope, such as a plan that provides only prescription drug coverage, dental, vision, long-term care, accident or coverage for a specified condition or illness, or is an indemnity program providing a fixed benefit amount per day (or other period or occurrence) is not a medical plan. A health flexible spending arrangement as defined in Code section 106(c)(2) is also not a medical plan.

- you are receiving appropriate treatment and care of your disabling condition(s) by a physician whose specialty or experience is appropriate for your disabling condition(s).

REGULAR OCCUPATION means the occupation you are routinely performing when your disability begins.

RETIREMENT PLAN means a defined contribution plan or defined benefit plan. These are plans which provide retirement benefits to employees and are not funded entirely by employee contributions. SALARY CONTINUATION OR ACCUMULATED SICK LEAVE means continued payments to you by your Employer of all or part of your monthly earnings, after you become disabled as defined by the Policy. This continued payment must be part of an established plan maintained by your Employer for the benefit of all employees covered under the Policy. Additional Claim and Appeal Information

APPLICABILITY OF ERISA

If this policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your Employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the policy, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and

- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);

- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

DISCRETIONARY ACTS

The Plan, acting through the Plan Administrator, delegates to Unum and its affiliate Unum Group discretionary authority to make benefit determinations under the Plan. Unum and Unum Group may act directly or through their employees and agents or further delegate their authority through contracts, letters or other documentation or procedures to other affiliates, persons or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and enforcing the provisions of the Plan. All benefit determinations must be reasonable and based on the terms of the Plan and the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review under Section 502(a) of ERISA of any benefit determinations with which you disagree. The court will determine the standard of review it will apply in evaluating those decisions.
